

This is a personal design project and is not commissioned by clients.

Project: A mobile event app dedicated to the electronic music industry in Athens, called Athens Electronic Music (A.E.M). *

The interface design tool is **Figma**.

** When clicking the three dots menu (kebab menu) at the top right of the navigation bar, press continuously the icon (kebab menu) to view the animation and navigate to "help & support" page.*

HERE ARE THE FIGMA FLOWS TO VIEW THE PROJECT ONLINE:

iPhone 13 & 14 Welcome Screen LoFi
